

Acceptable participation in SWSD is defined as follows:

Members must attend at least three SWSD trainings per quarter. Exceptions may be made by the Board, particularly in the case of such events as military deployment or medical problems. Should a SWSD member fail to participate in at least three SWSD trainings in any one quarter of the year (January through March, April through June, July through September, October through December), that member shall be subject to dismissal from the organization.

This policy does not apply to emeritus or supporting members.
